Coagulants
Nutrients
Defoamers
Activated Carbon

BLENDING SOLUTIONS

5. Professional Cleaning Products

With over 80 years experience in the international market and 1,000,000 customers served, Zep Inc. is a worldwide one-stop shop manufacturer of specialty chemicals. Its reach spanning all industries; from retail, to automotive, to aviation, to industrial – supplying the likes of Boeing, Toyota and Coca Cola.

Many ECOLABEL and NSF approved products

6. CIP Cleaning

Key products in many ports globally. Our Caustic Soda (NaOH) supplied in Northern Europe is produced from 100% renewable energy in the electrolysis step, significantly lowering the carbon footprint. For this, and many other products we can calculate your scope 3 full cradle to gate CO₂ emissions.
